## Section 2 - Property (Schedule A/B)

Separately list and describe assets in each category below. List an asset only once. If an asset fits in more than one category, list the asset in the category where you think it fits best. If more space is needed, attach a separate page to this questionnaire. The market value of most of your household goods is the price you could sell them for at a garage sale. For antiques, cars, business equipment and the like, you might need to consult a dealer as to the value -- the price you could sell it for in a reasonably short time period. The value is the amount YOU can get, not what a dealer would charge. It does not matter that the Blue Book "retail value" of a car is \$10,000 if the dealer will give you only \$7,500 cash for it.

Please be sure to list all your motor vehicles, pensions, insurance policies, bank accounts and child support or maintenance(alimony) arrearages due you. For all accounts you list, please tell us the company or bank name, the address, the type of account, the account or policy number, the benefit amount, the loan value, and the cash surrender value.

### Section 3 - Debts (Schedule D/E/F)

#### Part A. Debts Secured by Property

Please list below all debts that you owe OR that creditors claim you owe that are secured by property and **give us a copy of the last statement received**. Secured debts are any debts that if you quit making payments, the creditor can take back some property that is the security for the debt. Some examples of secured debts are mortgages and automobile loans. Most credit card debts are not to be listed here. They are usually not secured debts. Life insurance policy loans are secured debts. Some creditors may get a lien without your consent -- the mechanic's lien of your car repairman, the construction lien of a builder, a bank's right of set-off against your accounts, or a pawn shop's possessory lien ("pledge"). If you have any doubts whether a debt is secured, list it here.
